CREWS (ON PHONE)

Secure car? Like armored car? That would appeal to Arthur.

REESE (ON PHONE)

The score and getaway rolled into one. Do you know what company Chip worked for?

ADELE TINS (V.O.) (ON PHONE)

Sorry. Can't help you.

CREWS (ON PHONE)

Adele, can you remember anything about that uniform he looked so good in?

ADELE TINS (V.O.) (ON PHONE)

Yeah, it had a raccoon on the patch... holding a pistol.

CREWS (ON PHONE)

A raccoon?

ADELE TINS (V.O.) (ON PHONE)

Or maybe it was a badger. I dunno. Just do me a favor. Call me back when Arthur is dead.

She hangs up.

REESE

A badger? With a pistol?
(grabs her radio mic)
I'll run a trace on Chip. But..
(stops herself)
...the police computers are down.

CREWS

Police computers are down, but the police computer system was built by the lowest bidder. So let's go find some other computers.

REESE

(gets it)

Appuccino?

INT. STARBUCKS - DAY

28

**SCENE
STARTS**

Not even an 8.0 can turn off L.A.'s quest for caffeine. A couple of 20-something hipsters sit at a table, a laptop between them. Crews and Reese come up behind them.

START

CREWS

We're going to need to requisition that computer.

HIPSTER #1

Can you do that?

REESE

We just did.

(off their blank stare)

So now you get up and let us have the table too.

END

The hipsters get up, slink away. Crews and Reese sit down at the computer. Reese starts to work the keyboard, as she does.

REESE (CONT'D)

Cellmates tell each other everything? What'd you tell your cellmate?

CREWS

How I was going to date Britney, steal the Coke recipe...the usual stuff.

REESE

Googled armored car companies in the L.A. area.

CREWS

You find a badger with a pistol?

REESE

No... but I did find a bear with a shotgun.

She turns the screen around. She has found the SECURICASH web site home page. Their logo... A BEAR WITH A SHOT GUN.

29

INT. SECURICASH ARMORED CAR COMPANY - HALLWAY - DAY

The EMPLOYEE PHOTOS show CHIP LANDRI. The logo on the walls show a shotgun-wielding bear. Crews and Reese, guns up, walk the empty halls. But now they turn a corner and see...

Lined up on the floor are a dozen employees. Bound, gagged and beaten. Reese leans down to take the gag off one but Crews stops her with a look. Points to his ear... LISTEN.

They hear the sounds of a TOILET FLUSH. Then, stepping out of the MEN'S ROOM, adjusting his freshly stolen, ill-fitting ARMORED CAR DRIVER'S UNIFORM is...ARTHUR TINS.

These sides are for auditioning purposes only and may not reflect the final shooting script.
