MARIE  
You're asking that because you want  
to see if Heidi had motive?

(off Reese's look)  
Money, we only date cops. We eat,  
sleep and breathe law enforcement.  
If you're looking at Heidi you'll  
want to establish means, motive and  
opportunity.

(beat, then)  
You want a beer?

Reese watches as Marie pulls a wet cold beer from the cooler.

REESE  
No... I'm working right now.

MARIE  
Of course. Well, there's plenty if  
you change your mind. Got the light  
kind in case you're watching your  
figure which you do not need to do.

17 INT. SEAN GORDON'S HOUSE - DAY 17

Crews in the kitchen with Sean's wife, DIANE. She is pretty,  
strong. She makes coffee in a French press for them.

CREWS  
You knew Sean has girlfriends.

DIANE  
That wasn't a question, was it?

CREWS  
No, Ma'am.

DIANE  
"No ma'am"... Because I'm his wife  
and of course I would know.

CREWS  
It was my experience my wife knew  
things about me even if she didn't  
know that she knew it.

DIANE  
I know what you mean. How'd your  
marriage work out?

CREWS  
There were... complications. Diane,  
does Sean ever use drugs?

DIANE  
No. Sean is a beer and a shot guy.  
(pouring coffee)  
I'm a suspect, aren't I?

CREWS  
You know the answer to that.

Diane presses down on the plunger to make the coffee.

~~EXT. SOFTBALL FIELD - DAY~~

~~Reese with Marie and her two friends. The bunnies drink beer.~~

~~REESE  
You only date cops?~~

~~MARIE  
That's right.~~

~~REESE  
Because cops risk their lives and  
what's wrong with a little extra  
love?~~

~~MARIE  
That's pretty close. You date cops?~~

~~REESE  
...no... I am a cop...~~

~~MARIE  
OK. What about Badge Badgers? You  
know... like us but guys?~~

~~Reese says nothing but Marie can see it... and smiles...~~

~~MARIE (CONT'D)  
You do... long term or just a  
little hop on pop? We're fun  
though, right? Admit it.~~

~~Marie takes a pull on her beer. Reese watches then...~~

~~REESE  
I need to ask you about Kendall and  
Heidi. They ever fight over Sean?~~

~~MARIE  
Fight? No. Kendall loved Sean. So  
does Heidi. We all love Sean. He's  
lovable. Like a dog.~~

19

Crews and Diane in the kitchen.

DIANE  
I was alone. I had an Ambien, some  
wine and took the night off.

CREWS  
You know how to use a gun, Diane?

DIANE  
I surely do. Sean took me to the  
range when we were first dating.

CREWS  
Did you like that?

DIANE  
I liked a lot of things about him  
back then...

CREWS  
He wasn't the first cop you dated.

DIANE  
That wasn't a question either.

CREWS  
No it wasn't. You were one of them.

DIANE  
Cop groupie? Badge Bunny? Yes, I  
was. Until I married Sean then I  
wasn't one of them anymore.  
(beat, then...)  
Detective, if I had met you back  
then, I'd have wanted you to take  
me to the gun range.

CREWS  
It would have been my pleasure.

38 INT. POLICE STATION - CONFERENCE ROOM - DAY

38

The five ladies look up as Crews and Reese enter. Casey looks up at Crews and smiles... Crews shakes his head then...

CREWS  
Ladies. Thank you for coming down.

HEIDI  
Is this about Kendall's killing?

MARIE  
But you got that drug dealer right?

CREWS  
We have a few follow up questions.

HEIDI  
Questions about Sean?

DIANE  
I'd rather not hear my husband's name come out of your mouth.

HEIDI  
...sorry... I'm sorry...

CREWS  
These questions are about Alex. Any of you ever see Alex use drugs?

The four girls shake their heads no. DIANE JUST LOOKS DOWN.

CREWS (CONT'D)  
That's the weird part because we found your friend full of coke but no one ever saw anyone using.

HEIDI  
I don't know what department you're in, but the guys we know don't mess with that stuff...

MARIE  
You got the killer... you'd think you'd leave those cops alone.

Crews looks at Diane. Sees her LOOKING DOWN.

REESE  
OK... Did Alex and Kendall ever spend any time together?

HEIDI  
Like sex? Not Alex. None of us  
spent time with Alex...like that.

REESE  
Why not?

HEIDI  
Because he's Alex. He's a nice guy  
but not the kind of guy you want  
like that. He's nice but...

Crews looks at Diane as he says what he says next...

CREWS  
But he's not Sean?

HEIDI  
Yeah... he's not Sean.

CREWS  
Diane... Heidi said your husband's  
name again.

Diane looks up now... as if she has just heard him

DIANE  
What? I'm sorry... I didn't... what  
did you say to me?

CREWS  
Is there something you want to tell  
us about Alex?

DIANE  
You think he had something to do  
with that girl's death?

CREWS  
You tell us. Is he a nice guy?

DIANE  
...I thought he was.

CREWS  
Why'd you change your mind?

DIANE

Last year, I was having a rough time with Sean. I didn't know who to talk to.

CREWS

So you went to talk to his partner.

DIANE

Alex listened to me. We had a few drinks. Then a few more.

REESE

At the Lucky 7?

DIANE

No. Not there. He took me somewhere else. Some other bar... not the kind of place I usually go to... not a cop bar...

CREWS

What kind of place?

DIANE

A bad place. Dark... Not safe...

CREWS

Did they know Sean there?  
(off her nod yes)  
What happened?

DIANE

We drank some more...

REESE

Were there drugs?

DIANE

It was the kind of bar where you can get them... I didn't do anything... I don't think I did... then I didn't want to be there, I didn't want to be with him...

CREWS

So you left.

DIANE

Did Alex kill that girl?

CREWS

If he was partying with Kendall, he might have taken her there. If we put them together that night...

DIANE

Kendall and my Sean had a fight?

CREWS

(nods yes)

Sean wasn't going to leave you.

DIANE

You think Kendall went to talk to Alex about my Sean? Talk to Sean's partner because he'd listen?

REESE

Diane, what's the name of the bar Alex took you to?

DIANE

I don't know.

CREWS

Do you remember where it was?

40 INT. CREWS AND REESE'S UNMARKED CAR - DAY 40

Reese drives. Crews in the passenger seat. Diane in the back.

DIANE

I hate cops... No offense.

CREWS

None taken.

DIANE

(sad)

They run around trying to fix everything but they're the ones who are broken.

(looks out window)

There, that's the bar we went to.

REESE

I know that place.

CREWS

What's it like?

REESE

Bring the disinfectant.
