CREWS

You know... Why don't you come with us? You could be a help.

HATHAWAY

I'd like that.

REESE

(sotto)

What are you doing?

CREWS

Trying to find out what he's doing.

19 INT. PRISON - LAPTOP CELL DAY

Bobby hangs back as Ted walks in; a table with the laptop has been set up with one of the beds as the chair.

BOBBY STARK

You need anything, just holler.

(re: the door)

Closed or open?

TED EARLEY

Open. Please.

Bobby walks off as Ted settles down to work at the laptop. After a moment, his eyes drift up to the bars.

20 INT. JANIS' DORM ROOM - DAY

WE START CLOSE on a LARGE BULLETIN BOARD that's a "CUTE OVERLOAD" SHRINE: IT'S COVERED WITH PICS OF PUG PUPPIES, FENNEC FOXES, AND LOL CATS. ("CAN I HAZ CHEEZBURGER?")

We see Crews looking at the BOARD with curiosity. Hathaway watches him along with GLENDa, 18, dressed like a 1950s nerd-gal with facial piercings. She eats a BIG BOWL of RAMEN with loud NOODLE SLURPS.

CREWS

And you haven't seen Janis?

GLENDa

Not for five glorious days.

SLURP! Crews looks over to Janis' desk, curious. Cute pens, cute computer, cute screensaver. On her cute calendar, several FRIS and SATS have "BW" in a heart written on them.

CREWS

BW? New boyfriend?

GLEND A

I don't pay attention. It's kind of like the Disney Channel ate Hello Kitty and threw it up onto that side of the room.

CREWS

Does Janis use email?

GLEND A

No. I think she rocks the telegraph "There Will be Blood" style.

END

SLURP! Crews smiles and then reaches for Janis' computer--

HATHAWAY

Detective Crews... Wouldn't you need a warrant for that?

SLURP! Crews kicks the desk, jiggling the computer enough to turn off the screensaver.

CREWS

Oops. Bad balance. Inner ear thing.

CLOSE ON THE COMPUTER

Janis' gmail is open. Crews runs his finger down about a dozen messages to/from BEN WISE

CREWS (O.S.) (CONT'D)

Ben Wise.

INT. POLICE STATION - JUST OUTSIDE TIDWELL'S OFFICE - DAY

Tidwell and Davis, back to Tidwell's office. Inside, Henry is asleep on Tidwell's couch.

DAVIS

You're not going to charge him?

TIDWELL

You want me to charge your partner?

DAVIS

I want you to uphold the law.

TIDWELL

Look, the job does a number on your life; once in a while, your life gets to do a number on the job.

DAVIS

It's always something with Henry.
