DALE (CALLING OUT)
She was still working the grift!

CREWS
She only covered the Lenny tattoo
over to sucker Ben in. She never
planned on leaving Lenny at all.

REESE
I guess Lenny didn't give her a
chance to explain herself.

CREWS
What did that woman say? It wasn't
love... it was a sickness.

REESE
Now all we have to do is find
Lenny.

CREWS
No... we don't.
(off her look)
They had a plan... get the money...
then get away. He got the money...

REESE
So where's the getaway?

From the box of evidence Crews pulls out one of those
catalogues... it is of the LUXURY CRUISES. The post-it
reads... *sixty days or ninety days.*

REESE (CONT'D)
There are a lot of catalogues in
here. Planes, cars...

CREWS
Yeah... but this one...
(flips it open)
Has a departure date circled.

Crews looks across to Dale.

CREWS (CONT'D)
Dale!

Dale looks up. Crews takes an apple out of his pocket, tosses
it across the bullpen. Follow it as Dale catches it, smiles.

CREWS

The ship sent this. You don't mind, do you? Rambutan... Hard to find.

Suddenly Lenny has a knife. Where did that come from?

CREWS (CONT'D)

Please come at me with that.

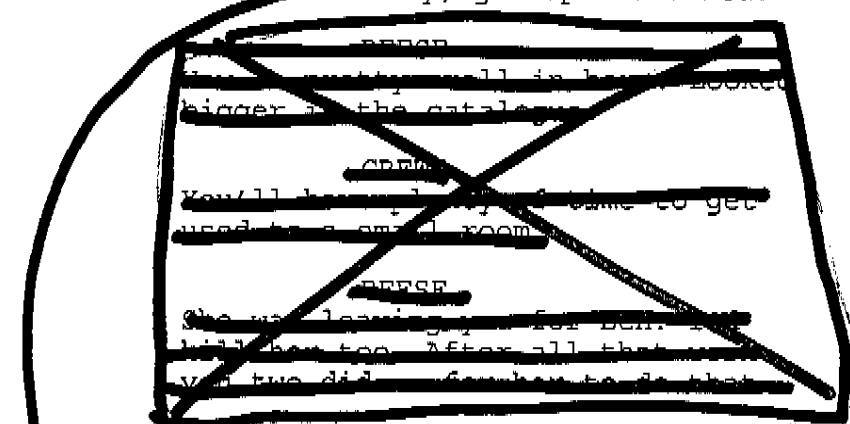

LENNY

You want me to come at you? Why would you want me to come at you?

CREWS

That way my partner can shoot you. She's got this thing about men who knife women to death.

Reese enters behind Lenny, gun up and aimed.

Lenny stands tough. Then...

LENNY CREWS

Except ^{LENNY} wasn't leaving you. She was just working the job. She was getting that tattoo taken off.

LENNY

You're lying.

CREWS

She was getting yours put back on.

LENNY

You're lying.

CREWS

She talked in her sleep, didn't she?

And this gets to Lenny...

LENNY

...why?...

REESE

Because when she did... it was your name she called out. It was you she wanted...

LENNY

(not so sure)

....you're lying...

CREWS

You know we're not. She was working the whole time... for you. I guess she was just too good at her job.

Crews and Reese look at Lenny as it sinks in, he drops the knife... then he drops to his knees and...

DISSOLVE TO:

INT. POLICE STATION - BOLLIFER - DUSH

Reese alone at her desk. On the phone. Whatever she is hearing does not make her happy.

REESE

Yeah...Yeah... I love you too. I'll see you tomorrow.

She hangs up. Deep in thought. Crews is behind her. She says.

REESE (CONT'D)

After thirty years of marriage, my dad walks out on my mom. Leaves a note, takes the car and goes.

She turns. It is not Crews as she thought but Tidwell. Shit.

REESE (CONT'D)

I thought you were someone else.

TIDWELL

He walked out on your mom, huh?

REESE

I don't want to talk about it.

TIDWELL

You mean don't want to talk to me about it.

(off her look)

It's OK.
