CREWS

You were seeing Kendall, Sean?

SEAN

Yeah, for about three months.

CREWS

How come you're not downstairs at the wake?

SEAN

I got a small case of the whirlies.

CREWS

Too much to drink...

(off his nod yes)

Too much to drink because...?

SEAN

Yesterday, before she died, Kendall and I had a fight...

CREWS

(re: Sean's wedding ring)

About that ring on your finger?

(off his nod yes)

About Kendall wanting you to take that ring off your finger?

SEAN

That's pretty good. You married?

CREWS

The fight, Sean. Did you hit her?

SEAN

No... She scratched me... you do your forensic work, you'll find my skin all up under her nails.

CREWS

What else will we find?

SEAN

Me... on her.

CREWS

You had sex... Was there drinking?  
(off is nod yes)  
And drugs?

SEAN

No... we didn't do that. She said  
it would let her kids down...

CREWS

You kill Kendall, Sean?  
(off his head shake "NO")  
Where were you after the fight?

SEAN

Slept it off in my car. Couldn't  
exactly go home...

CONT.

12A ANGLE ON REESE AND HEIDI 13A

Reese questions Heidi but Heidi just watches Sean.

REESE

Any reason you didn't tell us you  
knew Sean?

HEIDI

Tell you that I'm a badge bunny?  
You can say it. I'm not ashamed.

REESE

But you didn't tell us about Sean.

HEIDI

I knew Sean and Kendall had a bad  
fight. I didn't want you thinking  
he killed her. So I didn't say  
anything. It was wrong. I'm sorry.

REESE

You don't think Sean could have  
killed her?

HEIDI

Sean? No way...

REESE

Heidi? Are you seeing Sean too?

HEIDI

Just a little bit.

REESE

Just a little bit?

HEIDI

Not like Kendall. She wanted the whole deal. You know... the ring?

REESE

Did it bother Kendall that you were seeing Sean "just a little bit"?

HEIDI

No... why would it?

(off her look)

These guys, they put their lives on the line, for us. So what's wrong with giving them a little extra love? It's just love, right?

REESE

Where were you last night, Heidi?

HEIDI

Home... alone.

13B

ANGLE ON CREWS AND SEAN

13B

SEAN

You gonna book me?

CREWS

No... not just yet.

SEAN

You taking away my gun?

CREWS

I'll give it to your partner until you sober up. You make yourself available to us though, OK? And... We'll have to talk to your wife.

SEAN

Then protect yourself at all times.

END

Crews looks over at Reese standing with Heidi.

CREWS

Maybe he was stealing... Maybe he was unhappy with his health plan...

JUSTIN THORN

And maybe there is a dead badge bunny and all you cops just want someone to pay for it. I hope that piece of cotton tail was worth it.

TIDWELL

Officer Stark, why don't you cuff up Mr. Thorn here.

JUSTIN THORN

I know the drill. Cops want you to go away, you go away. Sometimes they plant a gun...

(to Crews)

Sometimes they plant a knife. Ain't that right, Detective?

CREWS

Take him on out, Bobby.

Stark leads Justin out. As he goes Justin calls to his men...

JUSTIN THORN

You make sure Fluffy stays off the fatty foods... you understand?

Stark has Justin at the door, but he stops. He sees something out there that worries him. Stark calls back to Crews...

BOBBY STARK

Charlie? Maybe you want to come over here and take a look at this

EXT. HOME OF JUSTIN THORN - CONTINUOUS

33

Stark with a handcuffed Thorn stands in the doorway. Crews and Reese come up behind him. They all look out to see... Sean, Alex, Steve and a half dozen other cops from the Lucky 7 stand at the curb looking a lot like a lynching party.

CREWS

You think they brought a rope?

Sean moves up the walk to the house. Crews heads to meet him.

SEAN

Why don't you let us take him in?

CREWS

Why don't you go sleep it off in  
the back of your car, Sean?

SEAN

You found the gun that killed  
Kendall up in that house?

CREWS

Looks that way. And now he gets a  
ride, a phone call and a lawyer.

SEAN

(calls to Bobby)  
Stark, what if it was your sister  
he shot in the back. What would you  
do?

BOBBY STARK

I'd be home drunk...

Sean looks to Crews and says quietly...

SEAN

...I can't go home.

CREWS

You can't be here. You know that.

SEAN

Kendall was one of ours... she  
loved us. Let us take him in.

CREWS

It's not going to happen.

Crews sees Sean's hand moves toward his weapon....

CREWS (CONT'D)

You going to draw down on me? Does  
it hurt that much that you want it  
all over? Because you take that gun  
out? And it's all over, Sean.

SEAN

...You're a cop...

CREWS

So are you.

END

Alex steps up and puts his arm around Sean's shoulder.

ALEX

Come on, Seanie. Let's go.
